Year 1 Autumn Term 2

National Curriculum

L

In literacy we will continue to learn new sounds in Read, Write, Inc and blend these sounds to read words. We will also be reading 'The Train Ride' and learning how to use our phonics to write words as well as writing simple sentence.

N

In numeracy this term we will be learning how to use the column tool to subtract numbers from 10. We will also read and make the o'clock time on clocks and recognise the value of coins.

S

As scientists we will be exploring light and shadows, plants, and food through a range of different celebrations. We will work scientifically uses our five senses to investigate through a range of activities and learn how to record our findings.

C

In digital literacy this term we will be exploring the world of digital art and its exciting range of creative tools. We will then create paintings, while getting inspiration from a range of other artists.

RIVERSIDE COMMUNITY PRIMARY

Class Information

PE – Friday

Homework

Daily reading

Spellings

Sent on Friday and tested the following Friday

PE

This term, we will develop our strength, balance, agility and co-ordination through a range of indoor and outdoor PE activities. Using different equipment, children will practise a variety of movements and skills, building their confidence, control and teamwork.

National Curriculum

J

In our jigsaw unit we will be celebrating differences. We will be identifying similarities and differences between us all as well as talking about how to be a good friend and how to make new friends.

M

This term, we will listen and respond to music using our voices, bodies and instruments. We will learn and perform songs and rhymes, exploring tempo and keeping a steady beat.

RE

In Religious Education we are learning to reflect on the Christmas story and decide which gifts would be meaningful for Jesus.

D&T

In design and technology, we are going to be using a range of skills to design, measure, cut and join materials to make our own puppets. We will then use our puppets to tell stories to our friends.

H

As historians we will be thinking about what it takes to be a great explorer. We will be using a range of different sources to find out about a number of explorers and identify changes that have occurred overtime.
